## Introduction to Relationship Development Intervention for autism spectrum disorders

Free  
workshop!

This workshop is designed to provide an overview of Relationship Development Intervention (RDI) as a developmental, family based approach to treating autism

### Topics include:

What is the goal of RDI?  
What do RDI Consultants hope to accomplish?  
How will RDI benefit my family?  
What is the role of parents?  
What does it look like?  
How do I get started?

Cost: FREE

Where: Kenilworth, NJ

When: December 11, 2013

Presented by  
Kristine Mastronardi, RDI Certified Consultant / Veteran Parent

Space is limited. Please RSVP 908 444-2745 or email:
