Welcome to the TWiki Documentation Web

The place to learn about TWiki features and perform TWiki system maintenance.

This site is running TWiki version **TWiki-5.0.1**, Sun, 10 Oct 2010, build 19570, Plugin API version 1.3

TWiki is a flexible, powerful, secure, yet simple web-based collaboration platform. Use TWiki to run a project development space, a document management system, a knowledge base or any other groupware tool on either an intranet or on the Internet.
